Program Description

This program will support projects to build or enhance a community response to female genital mutilation and cutting (FGMC). Grantees will work to increase services, education, and community partner engagement to stop the victimization of girls through FGMC, at the community level.

Goal

The goal of this program is to reduce the harmful consequences of Female Genital Mutilation and Cutting in the United States.

Objective

The objective of this program is to deliver community-based programming to stop FGMC by educating communities where FGMC might be a risk about the medical consequences of FGMC and forming community networks of agencies and organizations that are positioned to identify girls at-risk and respond to eligible survivors/victims.

Deliverables

The project will produce the following deliverables:

- Direct service provision to victims, at-risk individuals, and communities
- Community outreach
- A final report describing project activities, promising practices, challenges encountered, and solutions to address those challenges

Proposal Narrative Format

The following sections are part of the proposal narrative:

1. Description of the issue
2. Project design and implementation
3. Capabilities and competencies
4. Plan for collecting the data required for this solicitation's performance measures

Proposal Narrative: Description of the Issue

1. Demonstrate an understanding of the problem and makes a compelling case for addressing it using appropriate local data.
2. Describe current efforts to address the problem and explains how the proposed project is not duplicative and targets identified gaps.

Proposal Narrative: Project Design and Implementation

This **section** should include goals, objectives and activities that are aligned with solicitation

- Be brief, concise, and clear.
- Make sure the information is consistent throughout your proposal.
- Create solid goals and measurable objectives:
 - Objectives should be **SMART**:
Specific, **M**easurable, **A**ttainable, **R**ealistic, and **T**ime-bound
- Focus on the future and setting a realistic timeline to complete the project.

Proposal Narrative: Capabilities and Competencies

This section must—

1. Demonstrate the institutional experience and expertise to effectively implement the requirements of this solicitation (or the application includes formal agreements with partners with the appropriate experience and expertise).
2. Describe the applicant's staff with the appropriate training and experience to implement project activities and/or documents its plans and position descriptions for staff to be hired.

Proposal Narrative: Plan for Collecting Data

- Who will be responsible for reporting the required performance measures?
- How will data be collected?
- Any additional performance metrics?
- What data sources will be used? – Any legal, policy, or other barriers to gaining access?

Budget Worksheet and Budget Narrative (Web-Based Form)

See the [OJP Grant Application Resource Guide](#) for additional information.

- Use the JustGrants web-based form.
- Personnel costs should relate to the key personnel for the project.
- The budget should include adequate funding to fully implement the project, broken out by year, reflecting 36 months.
- The budget should be mathematically sound and correspond with information described in the Proposal Narrative and aligned with the project design.
