# What to Expect After Submitting an Application

The entity will be notified that they have received an award when all applications for the solicitation have been reviewed before September 30.

The system will notify:

- The Entity Administrator and Authorized Representative when the deadline for applications has changed.
- The Application Submitter, Entity Administrator, and Authorized Representative when the application is received in JustGrants from Grants.gov.
- The Entity Administrator when the award notification has been sent.

The entity should check the system regularly so that any upcoming deadlines for submitting applications and documentation are addressed in a timely manner.
