### ▲ SAM.gov Entity Validation Update <sup>o</sup>

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

OJP strongly recommends **starting your SAM.gov registration process as soon as possible** to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation. Read [this FAQ](#) for more information.

When available, OVC funding opportunities will be listed on this page.

- (1) increasing the number and availability of SANEs/SAFEs,
- (2) expanding access to sexual assault forensic examinations to communities that have been historically underresourced, and
- (3) improving the quality of post-sexual assault care using a hospital-based, community-based, campus-based, or corrections-based approach.

# Goal

- Enhance or expand [SANE/SAFE programs](#) that provide sexual assault medical forensic exams and sexual assault victim services using coordinated community response strategies.
- May propose innovative ways of bringing experienced medical forensic examiners to rural, tribal, and historically marginalized and underserved communities, as well as correctional facilities:

  - Hiring and recruitment efforts to increase the diversity of SANEs to better reflect the communities served by the project is strongly encouraged.

# Objectives (cont.)

4. Improve access to training and clinical education that supports training needs, peer networking, mentoring, and retention of SANEs/SAFEs and identify strategies that combat [vicarious trauma](#) and burnout.
5. Support the use of coordinated community responses to sexual assault (e.g., Sexual Assault Response Teams or Multidisciplinary Teams, also known as SARTs or MDTs).
  - Partnerships with local, culturally specific organizations whose primary purpose is to provide services to specific racial and ethnic groups in the community is encouraged.

# Deliverables

# OJP Priority Areas

- Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*

# Additional Documents to Apply

## DOJ Application Submission Checklist

Submitting an application to DOJ is a two-part process. An applicant first submits an abbreviated application in Grants.gov. The full application is then completed in JustGrants, DOJ's grants management system. The following steps and tips will assist potential applicants in completing DOJ applications.

### Step 1: Confirm your Entity's System for Award Management (SAM) registration information:

- Register with SAM or confirm that your SAM registration is active and up-to-date. You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. **Registration and renewal can take up to 10 business days to complete.**
- On April 4, 2022, the federal government will stop using Data Universal Numbering System (DUNS) numbers and start using the **new SAM Unique Entity Identifier (UEI)**.
- Entities new to JustGrants: Confirm that the contact information (email address) for your Entity's Electronic Business Point-of-Contact (E-Biz POC) in SAM is accurate and up-to-date. The E-Biz POC is onboarded in JustGrants as the Entity's first Entity Administrator and will receive notifications from JustGrants. The Entity Administrator is responsible for completing Entity User onboarding in JustGrants. Once the Entity Administrator is onboarded, that role can be reassigned to another Entity User.
- Technical issues with SAM registration or renewal must be reported to the [SAM Help Desk \(Federal Service Desk\)](#).

### Step 2: Apply in Grants.gov:

- Effective February 21, 2022, all Grants.gov users and applicants will need to use [Login.gov credentials](#).
- Search for an open DOJ funding opportunity in Grants.gov or on the agency website and review the solicitation requirements.
- Complete and submit the required documents in Grants.gov at least 48-72 hours prior to the Grants.gov deadline to allow for time to correct any problems or errors. The Grants.gov portion of your application includes the SF-424 and SF-LLL. (Note: The user and email identified in Section 8.F of the SF-424 will be identified as the Application Submitter in JustGrants and will receive future notifications from JustGrants.)
