▲ SAM.gov Entity Validation Update [↗](#)

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

OJP strongly recommends **starting your SAM.gov registration process as soon as possible** to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation. Read [this FAQ](#) for more information.

When available, OVC funding opportunities will be listed on this page.

Program Description

OVC seeks to support the development or enhancement of elder multidisciplinary teams (E-MDT) to better identify and respond to cases of abuse of older adults and more comprehensively serve and support victims of financial exploitation and other forms of elder exploitation and abuse. The program will also support a National Elder Abuse Training and Technical Assistance Center. Through these efforts, OVC hopes to improve case outcomes, while minimizing additional trauma and restoring safety and security to older adult victims of crime and hold more offenders accountable.

Helping Crime Survivors Find Their Justice

Background

To address system shortcomings when responding to elder abuse, this solicitation looks to shore gaps in offering a victim-centered criminal justice response by funding elder abuse “case review” MDTs, which bring together a group of professionals to discuss elder abuse cases with the goals of promoting healing through the provision of services (e.g., healthcare, legal, mental health, housing).

This effort supports the ongoing collaboration with the Office on Violence Against Women (OVW), DOJ’s Elder Justice Initiative, and the Consumer Financial Protection Bureau’s (CFPB) Office of Financial Protection for Older Americans, where OVC issued two separate solicitations for funding—the initial round of [funding in 2019](#) (see 14 funded programs) and the second round of [funding in 2021](#) (see 9 funded programs).

Program Details

Through these 10 new E-MDTs, and the existing 23 MDTs (funded in FY 2019 and 2021), OVC hopes to leverage existing federal TTA resources and improve case outcomes while minimizing additional trauma, help to restore safety and security to older adult victims of crime, and hold more offenders accountable. OVC intends to fund two separate purpose areas under this solicitation in FY 2023:

Additional Documents to Apply

DOJ Application Submission Checklist

Submitting an application to DOJ is a two-part process. An applicant first submits an abbreviated application in Grants.gov. The full application is then completed in JustGrants, DOJ's grants management system. The following steps and tips will assist potential applicants in completing DOJ applications.

Step 1: Confirm your Entity's System for Award Management (SAM) registration information:

- Register with SAM or confirm that your SAM registration is active and up-to-date. You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. **Registration and renewal can take up to 10 business days to complete.**
- On April 4, 2022, the federal government will stop using Data Universal Numbering System (DUNS) numbers and start using the **new SAM Unique Entity Identifier (UEI)**.
- Entities new to JustGrants: Confirm that the contact information (email address) for your Entity's Electronic Business Point-of-Contact (E-Biz POC) in SAM is accurate and up-to-date. The E-Biz POC is onboarded in JustGrants as the Entity's first Entity Administrator and will receive notifications from JustGrants. The Entity Administrator is responsible for completing Entity User onboarding in JustGrants. Once the Entity Administrator is onboarded, that role can be reassigned to another Entity User.
- Technical issues with SAM registration or renewal must be reported to the **SAM Help Desk (Federal Service Desk)**.

Step 2: Apply in Grants.gov:

- Effective February 21, 2022, all Grants.gov users and applicants will need to use **Login.gov credentials**.
- Search for an open DOJ funding opportunity in Grants.gov or on the agency website and review the solicitation requirements.
- Complete and submit the required documents in Grants.gov at least 48-72 hours prior to the Grants.gov deadline to allow for time to correct any problems or errors. The Grants.gov portion of your application includes the SF-424 and SF-LLL. (Note: The user and email identified in Section 8.F of the SF-424 will be identified as the Application Submitter in JustGrants and will receive future notifications from JustGrants.)
