Funding Categories

Competition ID	Competition Title (Category Name)	Expected Number of Awards	Dollar Amount for Award	Performance Start Date	Performance Duration (Months)
C-OVC-2024-00013-PROD	Purpose Area 1: Establish or Expand SANE/SAFE Programs	5	\$500,000	10/01/2024	36
C-OVC-2024-00014-PROD	Purpose Area 2: Training and Technical Assistance Provider	1	\$1,050,000	10/01/2024	36

PA 1: Goal

- Establish or expand [SANE/SAFE programs](#) that offer trauma-informed sexual assault medical forensic exams and victim services using coordinated community response strategies through a variety of settings (e.g., hospital, community, telehealth, campus, correctional).
- Applicants may propose innovative ways of bringing experienced medical forensic examiners to communities, such as using a mobile or telehealth model.
- New and established programs should follow the [National Protocol for Sexual Assault Medical Forensic Examinations Adults/Adolescents](#) and the [National Protocol for Sexual Abuse Medical Forensic Examinations Pediatric](#).
- Development of training programs should follow the [National Training Standards for Sexual Assault Medical Forensic Examiners](#).

PA 1: Objectives (Page 9)

- 1) Increase the number and availability of health care providers who are trained or certified to perform medical forensic examinations, especially in rural, Tribal, or underserved communities.
- 2) Provide timely, high-quality medical forensic exams incorporating victim-centered, trauma-informed approaches to all victims of sexual violence.
- 3) Expand access to training and clinical education for SANEs/SAFEs to build and maintain competency (e.g., peer support, mentoring).
- 4) Improve access to comprehensive post-assault care and other support services that promote healing and address the emerging needs of victims and survivors.
- 5) Support activities that facilitate and strengthen coordinated community responses.

PA 1: Deliverables (Pages 19-20)

Deliverables under this program include the following:

- Written policies and procedures that address the standardization of victim-centered care, to include informed consent, patient safety, privacy, confidentiality, culturally and linguistically appropriate services, care to patients with communication needs, and a streamlined referral process that increases access to victim advocacy services for cases involving a medical forensic exam. (*Year 1*).
- Written security policies and procedures for telehealth systems that ensure HIPAA compliance, privacy, and security of private health information that is stored, processed, or transmitted (*by end of Year 1 – telehealth programs only*).
- Comprehensive training plan for SANE/SAFE support and professional development (*Year 1*).
- Sustainability plan to ensure that programs can continue in an effective way beyond grant funding (*Year 2*).
- Executed memorandum of understanding, subcontract, or other agreement with a rape crisis center, victim services provider, or state sexual assault coalition to facilitate advocacy services and strengthen community response (*Year 1*).

PA 2: Goals

- OVC will fund a national training and technical assistance (TTA) provider to provide comprehensive training, technical assistance, and other support to assist organizations and communities in building their collective capacity to serve victims of sexual violence.
- Provide information to award recipients and their partners, enabling them to replicate successful model programs and approaches; promote the adoption of best practices, emerging technologies, and new models; and assist in identifying and addressing operational and programmatic needs.
- Support awarded recipients in building their capacity in SANE/SAFE practice and programming.

PA 2: Objectives (Page 10)

- 1) Provide ongoing, coordinated, customized technical assistance that will support each Purpose Area 1 award recipient in successfully implementing their program strategy based on the needs of the program and community.
- 2) Establish regular check-ins and site visits with awardees to identify technical assistance needs.
- 3) Establish a highly capable, diverse project team that can provide TTA to strengthen the awardees' response to underserved populations (e.g., individuals with disabilities, LGBTQ, limited English proficiency).
- 4) Integrate innovative models and ensure flexible options for education and training, learning, and practice (e.g., cross-site visits, peer-to-peer exchange opportunities, in-person or virtual grantee meetings, Extension for Community Healthcare Outcomes sessions, preceptorships, roundtables) among selected awardees and their partners to promote problem solving, ongoing communication, and innovation through the exchange of information, lessons learned, and new ideas.
- 5) Coordinate with other OVC-funded TTA provider grantees.
- 6) Other activities, as required by OVC, to meet the stated goals and objectives.

PA 2: Deliverables (Page 20)

Deliverables under this program include the following:

- Development of a TTA plan for FY24 SAFE award recipients (*Year 1*).
- Completion of site assessments or visits (in person or virtual) to all newly funded SAFE awardees (*Year 2*). Any additional in-person TTA visits as determined necessary to address site needs should be made in consultation with OVC.

Additional Documents to Apply

DOJ Application Submission Checklist

Submitting an application to DOJ is a two-part process. An applicant first submits an abbreviated application in Grants.gov. The full application is then completed in JustGrants, DOJ's grants management system. The following steps and tips will assist potential applicants in completing DOJ applications.

Step 1: Confirm your Entity's System for Award Management (SAM) registration information:

- Register with SAM or confirm that your SAM registration is active and up-to-date. You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. **Registration and renewal can take up to 10 business days to complete.**
- On April 4, 2022, the federal government will stop using Data Universal Numbering System (DUNS) numbers and start using the **new SAM Unique Entity Identifier (UEI)**.
- Entities new to JustGrants: Confirm that the contact information (email address) for your Entity's Electronic Business Point-of-Contact (E-Biz POC) in SAM is accurate and up-to-date. The E-Biz POC is onboarded in JustGrants as the Entity's first Entity Administrator and will receive notifications from JustGrants. The Entity Administrator is responsible for completing Entity User onboarding in JustGrants. Once the Entity Administrator is onboarded, that role can be reassigned to another Entity User.
- Technical issues with SAM registration or renewal must be reported to the **SAM Help Desk (Federal Service Desk)**.

Step 2: Apply in Grants.gov:

- Effective February 21, 2022, all Grants.gov users and applicants will need to use **Login.gov credentials**.
- Search for an open DOJ funding opportunity in Grants.gov or on the agency website and review the solicitation requirements.
- Complete and submit the required documents in Grants.gov at least 48-72 hours prior to the Grants.gov deadline to allow for time to correct any problems or errors. The Grants.gov portion of your application includes the SF-424 and SF-LLL. (Note: The user and email identified in Section 8.F of the SF-424 will be identified as the Application Submitter in JustGrants and will receive future notifications from JustGrants.)
