NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**
Due to COVID, there was a decrease in applications.
2. **The average length of time to process an application for claim eligibility for compensation**
Count days from time of receipt of application to decision. 74

Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. Upon receipt of an application it is reviewed for completeness. If an application is incomplete, a request for further information is sent to the claimant. If this information is not received within 60 days, a follow up phone call is made to the claimant. If the claim is complete, a claim number is assigned and if additional information is required, a request for information is sent to the claimant and we also request a Law Enforcement Verification from the law enforcement department in the jurisdiction of the crime. Upon receipt of all documentation the claim is reviewed for eligibility or denial. If a claim is eligible, all bills are reviewed to ensure they are eligible for payment. An Award is entered into the claims management system and sent to the Manager for approval. The account tech then certifies the award in SIGMA (states payment system) and a disbursement of funds is processed to claimant or providers. Funds are dispersed weekly or bi-weekly depending on case load. If a claim is not eligible, a Denial is generated by the analyst and approved by the Manager and a formal Denial letter is generated by our staff and mailed to claimant.
3. **Does your state have a victim satisfaction survey?**
No
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**
COVID 19 has had an impact on accessibility to courts and advocates for a short time frame, which resulted in a slow down of claims submitted. Also, it is believe that crime too slowed down during the lock-down.
5. **Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.**
We have an ongoing working relationship with the Federal advocates and open communication with Federal crime victims. We continue to provide trainings as requested by agencies that provide direct assistances to Federal crime victims. We have initiated a dialogue with the Native American communities and advocacy programs to provide information and education regarding services we can provide to Native Americans.
6. **Please describe any notable activities during the reporting period that improved the process of victim compensation services.**
We are in the final process of a new claims management system that will allow victims to apply on-line and will provide staff a streamlined approach to providing efficient and timely processing of claims.
7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**
VOCA funds have allowed our program to fully compensate victim benefits under the many expansions of coverage. Without these funds, we may not be able to provide full payment of out of pocket loss for our victims, up to our maximum.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**
