## NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**  
The State of Texas saw a small decrease this year in victim applications received which is believed to be COVID-related. COVID-19 will likely impact victim applications received until the pandemic subsides and are then anticipated to stabilize at previous levels. The State of Texas did see an increase in sexual assault exam applications received. This was the first year of processing sexual assault exam applications directly from health care providers as required by a recent legislative change which contributed to the increase in sexual assault exam applications received.
2. **The average length of time to process an application for claim eligibility for compensation**  
Count days from time of receipt of application to decision. 30  
  
Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. Texas calculates the days to process an application for claim eligibility from the date the application is received to the date a determination is made. If an application is received without needed victim, claimant, or crime information, the program requests the necessary information and may place the application in suspense.
3. **Does your state have a victim satisfaction survey?**  
Yes  
  
A. Number of victim satisfaction surveys distributed during the reporting period. 18,650  
  
B. Number of victim satisfaction surveys completed during the reporting period. 9,152  
  
C. Number of surveys that indicated satisfaction with the victim compensation program during the reporting period. 8,010
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**  
The State of Texas was impacted by COVID-19 which is believed to have contributed to a decrease in victim applications received and a decrease in CVC claim payments.
5. **Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.**  
The Texas CVC program continues to assist federal victims of crime in the same fashion we do for all victims.
6. **Please describe any notable activities during the reporting period that improved the process of victim compensation services.**  
Texas has made continued improvements to the Crime Victim Management System (CVMS) web portal which provides victim registration for online accounts, an enhanced online application, the capability to upload documents into claims, and enhanced online views for victim advocates and medical providers.
7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**  
VOCA Administrative Funds were used in FFY2020 for modifications, support and enhancements to the online CVMS web portal that allows applicants to apply and manage their claims online.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**  
The Texas Legislature passed House Bill 616 which amended the Code of Criminal Procedure and Health and Safety Code to revise provisions relating to reporting of a sexual assault. The bill extends the period within which a sexual assault must be reported, or within which the victim must arrive at a health care facility, for the victim to be entitled to a forensic medical examination; and provides for reimbursement from the Texas Attorney General for reasonable costs of the forensic portion of a sexual assault examination and the evidence collection kit for the applicable health care facility, sexual assault examiner, or sexual assault nurse examiner. CVC reimburses law enforcement agencies for the forensic costs of sexual assault exams conducted before 9/1/2019. All law enforcement reimbursement requests must be submitted within three years of the date of the exam and before 9/1/2022. For all reported cases of sexual assault after 8/31/2019, law enforcement must complete an OAG's Law Enforcement Request for Sexual Assault Exam form indicating whether a sexual assault exam was requested. A copy of the completed form must be retained by law enforcement and copies provided to the hospital and/or provider and victim. CVC reimburses health care facilities, sexual assault examiners, or sexual assault nurse examiners for the forensic costs of sexual assault exams conducted after 8/31/2019. Reimbursement requests must be submitted within 3 years of the date of the exam. Reimbursement is available for both non-reported sexual assaults and reported sexual assaults.
9. **Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.**

The CVC program provides training for law enforcement, prosecutorial offices, victim advocacy groups and service providers on the Rights of Victims and the Crime Victims' Compensation program including eligibility and claims processing. Additionally, Texas has five regional coordinators who are responsible for implementing professional training programs for criminal justice professionals. Finally, the Texas OAG provides grants with state funding of \$2.36 million to fund victim assistance coordinators and crime victim liaisons located within police departments, sheriffs' and prosecutors' office. These positions provide direct services, assist with applying for compensation, and understanding victims' rights.

10. **Please explain any public outreach efforts to improve awareness of your program.**

The Texas OAG provided training to 749 participants during the reporting period. Additionally, outreach was provided to 69,833 recipients. This includes outreach through our website.

11. **Please list any other outcome measure(s) that are reported to the governor, legislature, or other state entity that have not been reported in this submission. Provide the actual measure(s). The data may be reported separately in your progress report.**

Other than the measures captured in this report, Texas reports the "Number of Victims who receive an award" and the "Average Cost to analyze and make an award."

12. **Please provide any additional comments that are helpful to improving the Victim Compensation state and/or federal program.**
