NARRATIVE QUESTIONS

1.
Please explain any significant change in the number of applications received during the reporting period.

No significant change in number of applications received.

2.
The average length of time to process an application for claim eligibility for compensation

Count days from time of receipt of application to decision. 120

Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. Claims are entered on the date received; assigned a claim number and an investigator; ACIC (criminal history) is an on victim or claimant; The claim is then acknowledged by investigator and information requested from law enforcement, medical, employers, therapist, etc. Upon receipt of requested information a detailed summary of the victimization is done with recommendation of award, deny, delay or closed. If award, eligible payouts will also be detailed in the summary.

3.
Does your state have a victim satisfaction survey?

No

4.
Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.

Due to state budget cuts we had a major issue with funding . . . Forensic Payments were halted for 3 months; and an allocated payment limit was put in place for the remaining VOCA funds - until the state funding was replenished.

5.
Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.

There is no differentiation in serving federal and non-federal victims as long as the eligibility criteria have been met. All efforts ae put forth to serve all victims of criminally injurious conduct.

6.
Please describe any notable activities during the reporting period that improved the process of victim compensation services.

Continuous site visits and networking with various advocates, including law enforcement, first responders, prosecuting attorneys, medical facilities, etc. Also continuous trainings to state-wide audiences educating them about our program.

7.
Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.

All VOCA Funds are used for compensation.

8.
Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.

No

9.
Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.

We continue to work with all of the above mentioned officials to verify facts and information regarding the eligibility criteria of our claims.

10.
Please explain any public outreach efforts to improve awareness of your program.

See 6 & 8. In addition, staff participates in various Domestic Violence, Sexual Assault Forums, Victim Assistance Academy, and trainings sponsored by Mothers Against Drunk Drivers, and Parents of Murdered Children Organizations.

11.
Please list any other outcome measure(s) that are reported to the governor, legislature, or other state entity that have not been reported in this submission. Provide the actual measure(s). The data may be reported separately in your progress report.

None other than reported in progress reports.

12.
Please provide any additional comments that are helpful to improving the Victim Compensation state and/or federal program.

None at this time.
