## NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**  
The number of applications for the time period 10/1/20 to 9/30/21 (FFY21) increased by 470 claims (about 13%) over the prior reporting period.
2. **The average length of time to process an application for claim eligibility for compensation**  
Count days from time of receipt of application to decision. 55  
  
Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. The claim application is entered into our Claims Processing System either on-line (by Claimant or Victim Witness personnel) or through mail-in/fax paper copy. The Intake unit will review the application and determine if the claim can be forwarded to our Investigative unit. The Investigative unit will then determine eligibility, process the claim according to statutes and forward to supervisors for final review and approval. The process to initiate payment is done daily by our staff. Check issuance is done outside our office by the Department of Treasury; check is mailed within 10 days.
3. **Does your state have a victim satisfaction survey?**  
No
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**  
The only issue we confronted this past year was that the staff was working remotely for the first 3 quarters of FY21 due to Covid restrictions. Beginning in July, 2021 the staff returned on a hybrid schedule, in the office 2-3 days per week and remotely 2-3 days per week. The staff was split into two groups and worked alternate days in the office. New Jersey is fully capable and budgeted to fully meet its needs
5. **Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.**  
The agency's Intake Unit works closely with the FBI and Federal victim advocates to serve federal crime victims. The Agency's staff also are members of the Human Trafficking Task Force which allow collation with Federal and State agencies.
6. **Please describe any notable activities during the reporting period that improved the process of victim compensation services.**  
The office continued to incorporate technology initiatives in order to improve our victim compensation services to victims, providers and advocates. A complete re-write of the Claims Processing System continued this past fiscal year.
7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**  
The funds are used for information technology, operations and training to improve victim compensation services.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**  
In Fiscal year 2020, a series of regulatory cap increases were adopted in August, 2020.
9. **Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.**  
Efforts to expand our technology based initiatives are ongoing. Claims are initiated by the county Victim Witness units through on-line filing. All required documents from the county Victim Witness units are requested and submitted through e-mail or uploaded directly into the application
10. **Please explain any public outreach efforts to improve awareness of your program.**  
The VCCO Public Outreach Committee is structured to inform our stakeholders and supporters about training opportunities, resources and materials to both public and private organizations, first responders, non-profits, prosecutorial staff, faith-based communities and constitutes. The VCCO sponsors annual events and campaigns; such as, Crime Victim's Right's Week held every April, Domestic Violence Month, held every October, Bullying, Sexual Awareness and other related violence related monthly topics in our continuous efforts to promote awareness and meet the needs of communities. In partnership with The Office of The Attorney General, the Agency's sponsor events are publicized and published via media outlets and our website. All in-person events were canceled since March, 2020 due to Covid restrictions. In Fiscal year 2021 virtual training sessions were conducted for law enforcement and advocacy groups.
11. **Please list any other outcome measure(s) that are reported to the governor, legislature, or other state entity that have not been reported in this submission. Provide the actual measure(s). The data may be reported separately in your progress report.**

No additional information is mandated by any entity. However, the Agency creates an Annual Report and posts it on-line for public access.

12.

**Please provide any additional comments that are helpful to improving the Victim Compensation state and/or federal program.**

The office continues to improve services to crime victims by improving our technology. We applied for a Building Technologies grant in June, 2021 in an effort to further improve our claims processing system. The anticipated changes include importing provider bills electronically, developing improved communication capabilities via an on-line inquiry system and implementing direct deposit for claimant payments.
