8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**  
The Texas Legislature passed HB 2462 and HB 2706 during the 87th Legislature, which made changes regarding sexual assault examinations and the reimbursement process. Changes in the legislation will increase the number of exams conducted in the state and the reimbursement requests for those exams. HB 2462 amended Code of Criminal Procedure provisions regarding law enforcement requests for sexual assault exams, including: - Removing provisions regarding false reports that allow law enforcement to decline requests for exams of an adult within 120 hours of assault. - Requiring that law enforcement request exams of children even if the assault was beyond 120 hours. - Clarifying situations where exams may be conducted for adults after 120 hours if law enforcement believes it would further investigation or prosecution or if a medical provider / examiner notifies law enforcement that an exam should be conducted. HB 2706 amended Code of Criminal Procedure and the Health and Safety Code to designate SAFE Programs as a SAFE-ready facility – making the entities eligible to receive payments for the cost of medical care related to the sexual assault exams. CVC reimburses health care facilities, sexual assault examiners, or sexual assault nurse examiners for the forensic costs of sexual assault exams conducted after 8/31/2019. Reimbursement requests must be submitted within 3 years of the date of the exam. Reimbursement is available for both non-reported sexual assaults and reported sexual assaults. Medical care associated with the exam may also be reimbursed under CVC or as Emergency Medical Care Compensation.
