Iowa VOCA Assistance grant funds are administered from the same office as Iowa's Victim Compensation program. This allows for significant coordination among staff in both programs. We conduct frequent trainings with partners in law enforcement and prosecution at the local, state and federal levels to ensure victims know of the compensation program. Our statewide DV and SA coalitions provide training to new advocates working in programs funded by the VOCA Assistance grants, which includes information on the compensation program and its available benefits. All CVAD staff has the opportunity to participate in these trainings.
