NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**
The State of Texas saw an increase this year in both victim applications and sexual assault exam applications received. This was the third year of processing sexual assault exam applications directly from health care providers as required by a legislative change.
2. **The average length of time to process an application for claim eligibility for compensation**
Count days from time of receipt of application to decision. 74

Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. Texas calculates the days to process an application for claim eligibility from the date the application is received to the date an eligibility determination is made. If an application is received without needed victim, claimant, or crime information, the program requests the necessary information and may place the application in suspense.
3. **Does your state have a victim satisfaction survey?**
Yes

A. Number of victim satisfaction surveys distributed during the reporting period. 19,947

B. Number of victim satisfaction surveys completed during the reporting period. 5,989

C. Number of surveys that indicated satisfaction with the victim compensation program during the reporting period. 4,899
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**
The State of Texas continued to be affected by COVID-19 and the impact can still be seen in multiple production areas involving staffing, applications, and payments.
5. **Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.**
The Texas CVC program continues to assist federal victims of crime in the same fashion we do for all victims.
6. **Please describe any notable activities during the reporting period that improved the process of victim compensation services.**
Texas has made continued improvements to the Crime Victim Management System (CVMS) web portal which provides victim registration for online accounts, an enhanced online application, the capability to upload documents into claims, and enhanced online views for victim advocates and medical providers.
7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**
VOCA Administrative Funds were used in FFY2022 for modifications, support, and enhancements to the online CVMS web portal that allows applicants to apply and manage their claims online.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**
There were no laws, initiatives, or policy changes during the reporting period.
9. **Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.**
The CVC program provides training for law enforcement, prosecutorial offices, victim advocacy groups and service providers on the Rights of Victims and the Crime Victims' Compensation program including eligibility and claims processing. Additionally, Texas has three regional coordinators who are responsible for implementing professional training programs for criminal justice professionals. Finally, the Texas OAG provides grants with state funding of \$9.26 million in state fiscal year 2022 to fund victim assistance coordinators and crime victim liaisons located within police departments, sheriffs', and prosecution offices. These positions provide direct services, assist with applying for compensation, and understanding victims' rights.
10. **Please explain any public outreach efforts to improve awareness of your program.**
The Texas OAG provided online training to 1,372 participants during the reporting period. Additionally, outreach was provided to 97,260 recipients. This includes outreach through our website.

11. **Please list any other outcome measure(s) that are reported to the governor, legislature, or other state entity that have not been reported in this submission. Provide the actual measure(s). The data may be reported separately in your progress report.**

Other than the measures captured in this report, Texas reports the "Number of Victims who receive an award" and the "Average Cost to analyze and make an award".

12. **Please provide any additional comments that are helpful to improving the Victim Compensation state and/or federal program.**
